# LUXOR SHIELD™

Superior Protection with a Premium Finish that Elevates Every Surface.

We proudly introduce **LUXOR SHIELD**, a premium powder coating brand from **Shree Color Coats**, developed for the evolving needs of India's manufacturing and surface finishing industries. Backed by our commitment to quality, consistency, and dependable supply, we deliver coating solutions tailored to precise application requirements.

**LUXOR SHIELD** represents our advanced range of powder coatings, engineered to provide superior protection, long-lasting durability, and outstanding aesthetic appeal across a wide spectrum of applications.

Developed using high-quality raw materials & advanced manufacturing processes, it ensures:

- Exceptional resistance to corrosion, UV exposure, chemicals, and impact
- Smooth, uniform finishes with excellent color retention and lasting gloss
- Versatile application across architectural, automotive, industrial, and consumer products

## FEATURES

- Free from toxins and solvents
- High adhesive power, impact strength and toughness
- Superior indoor durability
- Long-lasting and premier quality
- Superior adhesion properties
- Provides excellent corrosion protection
- Available in diverse shades and textures
- Provides a superior finish
- Non-toxic and solvent-free
- Extended life for coated surfaces/products
- Resistant to water and chemicals
- Developed using latest technology and rich in quality

Available in Epoxy Polyester, Epoxy Polyester Hybrid and Pure Polyester variants, **LUXOR SHIELD** is designed to meet both indoor and outdoor performance requirements.

Available in Glossy, Satin, Matt, Structure, and Texture finishes, with over 300 color shades to suit diverse requirements.

Whether your goal is to enhance product longevity or elevate visual appeal, **LUXOR SHIELD** delivers the perfect balance of protection and finish — making it a reliable, performance-driven coating solution.

## — 10 YEARS OF POWDER COATING EXCELLENCE —

A Premium Powder Manufacturing Company with a Proud Legacy

Transforming every structure into vibrant architectural excellence.

**COLORFUL. VIBRANT. AESTHETIC. BUILT TO IMPRESS —**  
with LX Powder Coatings

**LUXOR SHIELD**  
elevate every surface
